## PARENT TEACHER ASSOCIATION

### CAN YOU HELP?

Our School PTA has always taken much pride in the fundraising achievements that we have undertaken over the years - always bearing in mind that what we do, we do for the School and our children.

We are currently wanting to compile a list of those parents who would be able to pledge some time to help us with various fundraising activities, or have specific skills that we could call upon if needed. This is not a request for you to join the PTA.

We would appreciate very much if you would take time to complete the section below and **return it to the School Office drop box as soon as possible.**

With the PTA's grateful thanks  
Heather Trumper
